

# Children's Justice Training Team

## Training Topics

Trainings are provided free of charge and are available upon request. Trainers listed maintain current résumés or curriculum vitae on file with the Governor's Division for Children and recognize their responsibility to consult local investigation protocols prior to training.

To request a training please contact the local Children's Justice Coordinator or Maureen Domogala, Governor's Division for Children, mdomogala@az.gov

The number of hours indicated in parenthesis represents the minimum amount of time required for that training session and cannot be shortened.
